

An aerial photograph of a landscape. In the foreground, there are rolling green hills with a mix of dense forest and open fields. A small waterfall is visible in the middle ground. In the background, a town or industrial area is visible, with several tall chimneys and buildings. The sky is blue with some light clouds, suggesting a clear day.

AGENDA

EUROPEAN BUSINESS & BIODIVERSITY FORUM
Thurs. Fri. September 19th - 20th 2024

AGENDA

SEPTEMBER 19th

MORNING CONFERENCES

9:15 – 9:30 – **Opening words**

9:30 – 10:15 – **The new Deal for Nature on the international Scene**

One month before the COP 16, and two months after the EU elections, a strong leadership is expected from the corporate world to keep the ambition high on nature.

With speakers from:

Business for Nature, Business@Biodiversity, WWF European policy office, Members of the EU parliament

10:15 – 10:45 – **How are ESRS setting the tone for corporate action on nature?**

An analysis of ESRS requirements for target setting, and WWF propositions to address them at best: focus on WWF Nature Targets Publication.

With speakers from:

the EFRAG, WWF European policy office, and early movers on CSRD from the private sector

10:45 – 11.15
BREAK

11:15 – 12:00 – **Corporates setting targets for Nature with the right level of ambition through SBTN**

Lessons learned from the first companies who have piloted SBTN target setting approach.

With speakers from companies having SBTN validated targets

AGENDA

SEPTEMBER 19th

12:15 – 13:00 BREAK-OUT SESSION 1

Deep dives into companies experience in piloting SBTN step 3 (target setting).

Choose your session from among five companies that have piloted SBTN and successfully validated their targets and listen to their insights and experiences.

13:00 - 14:30 LUNCH AND NETWORKING

14:30 - 15:15 – Putting targets into action plans

How to build robust nature transition plans? Presentation by WWF of the “Nature Transition plan” publication, and sharing from pilot companies.

*With speakers from:
WWF and 2 companies piloting Nature Transition Plans*

15:15 - 16:00 – Financing the transition

How to finance transition plans, to shift business models towards models respectful of planetary boundaries?

*With speakers from:
investment banks, public and private sector*

Option 3: Building collective answers: sectoral initiatives

Option 4: Building collective answers: landscape initiatives

18:00

CLOSING REMARKS & COCKTAIL

AGENDA

SEPTEMBER 20th

FOR WWF CORPORATE PARTNERS ONLY

9:00 – 9:30
WELCOME COFFEE

9:30 – 10:30 – Joint advocacy

Together with business, WWF is working to secure a more sustainable future for people and the planet. This includes engaging in joint advocacy calling for and shaping government and sectoral policies and incentives that support sustainability.

Let's explore opportunities to engage in joint advocacy designed to secure European policies that deliver a sustainable economy.

10:30 – 12:00 – Networking and guided discussions on synergies between WWF EU corporate partners

WWF is building strong collaboration with different pioneer European corporate members.

This session will be the opportunity for participants to:

- *Meet other WWF corporate partners*
- *Share best practices on building robust nature action plans*
- *Reflect on collective initiative opportunities and challenges*
